

## Grants by Grant Cycle

Grants matching your search for 2011-12 Local Government Waste Tire Enforcement Grants (TEA19 )

### Alameda County

**Grantee:** Alameda County

**Amount Awarded:** \$405,000.00

**Grantee Contact:** Ms. Susan Hugo

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Funds will be used to implement the Waste Tire Inspection Program in Alameda County. This will consist of two full time staff to conduct inspections and manage the program, including periodic reporting to CalRecycle.

**Grantee:** City of Berkeley

**Amount Awarded:** \$161,955.00

**Grantee Contact:** Mr. Manuel Ramirez

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Division of Environmental Health seeks to establish and maintain a community-wide expectation of compliance with regulations and best management practices among waste tire generators. The grant funds will be use to identify, educate and inspect businesses involved in the collection, generating, transporting, and disposal of waste and used tires to determine compliance with all tire standards; including permit requirements, tire storage standards, and hauler registration and manifest system standards. Funds will also be used for educational outreach and responding to waste tire complaints.

*Total Awarded for County:\$566,955.00*

### Butte County

**Grantee:** Butte County

**Amount Awarded:** \$35,745.00

**Grantee Contact:** Mr. Scot Johnson

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The grantee will inspect waste tire facilities and generators in the county and enforce tire related laws and regulations through a progressive enforcement program. The grantee will provide surveillance for illegal tire disposal activities.

*Total Awarded for County:\$35,745.00*

### Calaveras County

**Grantee:** Calaveras County

**Amount Awarded:** \$57,082.00

**Grantee Contact:** Mr. Brian Moss

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The enclosed grant budget outlines our enforcement needs that will allow for the continued implementation of an effective enforcement program within Calaveras County. Many of our generators require assistance throughout the year with manifesting, storage requirements and general questions which requires additional travel time. Five of our generators are located in the higher elevations (snow areas), which typically require additional travel time to maintain safety. It must be noted that this not only increases inspection but surveillance time as well. Many of our routine surveillance areas are more than 1 hours away from the office.

It is vital to our enforcement program to have the necessary funds available to continue an aggressive surveillance and educational campaign. Many of our surveillance areas are only accessible during the dryer months, while others warrant one visit per year as they are so remote. We typically see higher rates of illegal dumping in the cooler months in the more remote areas. This may be due in part to firewood cutting, camping activities and the production of illegal narcotics. It is imperative to our Waste Tire Program to have the necessary funds available to perform the above mentioned rural surveillance activities in addition to performing routine inspections..

*Total Awarded for County:\$57,082.00*

### **Contra Costa County**

**Grantee:** Contra Costa County

**Amount Awarded:** \$274,920.00

**Grantee Contact:** Mr. Timothy Kraus

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grant funds will be used to fund waste tire enforcement work as required by the TEA-19 grant procedures and requirements and outlined in the TEA-19 grant workplan and budget

*Total Awarded for County:\$274,920.00*

### **El Dorado County**

**Grantee:** El Dorado County

**Amount Awarded:** \$46,932.00

**Grantee Contact:** Mr. Michael Tilley

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** El Dorado County Environmental Management (EMD) respectfully requests TEA Grant funding to implement a used tire generator inspection and enforcement program. There are currently 133 facilities with TPIDs operating in El Dorado County. EMD last requested, received and implemented a Tire Enforcement Grant Fund in 2005 (TEA 11). The number of used tire generating businesses with TPIDs has increased from 65 in 2005 to 133 today. The majority of requested grant funds will be used to conduct routine facility compliance inspections. We anticipate a small percentage of businesses will require re-inspections and enforcement actions be taken when necessary. Current enforcement options include issuing notices of violation, conducting office hearings and referring cases to the EDC District Attorneys office for prosecution. Grant funds will also be use to provide inspector training, equipment and to reimburse EMD for eligible transportation and administrative costs related to the program.

*Total Awarded for County:\$46,932.00*

### **Fresno County**

**Grantee:** City of Fresno

**Amount Awarded:** \$240,000.00

**Grantee Contact:** Ms. Ana Manzula

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grant funds will be used for continued inspection of waste tire generators, waste tire haulers, and waste tire end-use facilities in accordance with CalRecycle regulations for the disposal and storage of waste/used tires. Surveillance will be conducted as need when illegal dumping of waste tires is suspected by a generator, hauler, and end-use facility. This program has aided the City of Fresno in removal of waste tires and blight caused by illegal dumping or storage of waste tires.

**Grantee:** Fresno County

**Amount Awarded:** \$300,000.00

**Grantee Contact:** Mr. Adan Ortiz

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The goal of the Waste Tire Program is to promote compliance with state and local regulations as it pertains to the collection, handling, storage and disposal of waste tires in an effort to protect the air, water, and land from pollution and to ensure public health and safety.

The Fresno County Department of Public Health, Environmental Health Division, proposes to utilize the FY 2011-12 Waste Tire Grant funds for staffing, training and equipment needs associated with implementation of the County's Enforcement Program Plan.

*Total Awarded for County:\$540,000.00*

## Glenn County

**Grantee:** Glenn County

**Amount Awarded:** \$46,000.00

**Grantee Contact:** Mr. Kevin Backus

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Waste Tire Enforcement Grant will be utilized to directly support the Glenn County Local Enforcement Agency in inspecting/monitoring waste tire facilities and conducting other waste tire enforcement activities. Expenditures will be divided between inspections, enforcement, outreach, training, management, equipment, supplies and transportation.

*Total Awarded for County:\$46,000.00*

## Imperial County

**Grantee:** Imperial County

**Amount Awarded:** \$116,625.00

**Grantee Contact:** Mr. Lars Seifert

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Imperial County LEA intends to utilize requested grant funds to continue a comprehensive education and enforcement program to ensure that registered waste tire haulers are used for the transport of waste or used tires, that tire generators properly use the manifesting system and do not accumulate 500 or more tires on their premises without a waste tire facility permit, and that the illegal dumping of waste tires is prevented.

*Total Awarded for County:\$116,625.00*

## Kern County

**Grantee:** City of Bakersfield

**Amount Awarded:** \$47,133.00

**Grantee Contact:** Ms. Melanie Dunwoody

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** WTE 19 Inspection, surveillance and education projects related to businesses which handle waste tires.

**Grantee:** Kern County

**Amount Awarded:** \$300,000.00

**Grantee Contact:** Mr. Doyle Sprick

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** In an agricultural rich area such as Kern County with vast areas available for the illegal dumping of used and waste tires these funds are critical for the enforcement of waste tire laws. Vigorous enforcement of transportation and storage laws is imperative for the protection of our environment. Kern County has aggressively pursued Farm and Ranch grants for illegal tire dumping site clean-ups. These TEA 19 funds will help Kern County control and track the used and waste tire flow to ensure the lawful disposal and recycling of said tires.

*Total Awarded for County:\$347,133.00*

## Lake County

**Grantee:** Lake County

**Amount Awarded:** \$52,600.00

**Grantee Contact:** Mrs.Denise Pomeroy

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Lake County Environmental Health's Waste Tire Program goal is to protect public health from mosquito infestations; maintain a safe environment via regular surveillance, and if possible, removal of tires from creeks, waterways and the general countryside; and to continue routine annual inspections of at least 80 TPID sites to insure that their waste tires are being stored & handled appropriately in order to prevent waste tire-fueled fires.

We would like to purchase two digital cameras to use during our routine surveillance of Lake county. We may also use them during our annual inspections to document irregular or out-of-compliance situations at a facility. Any interest earned will be used for training and education.

*Total Awarded for County:\$52,600.00*

## Los Angeles County

**Grantee:** City of Lancaster

**Amount Awarded:** \$146,353.00

**Grantee Contact:** Ms. Teri Villani

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Awarded Grant funds will be expended to conduct inspections of active waste haulers, generators, end use facilities, and illegal waste tire businesses and dumping sites, ensuring the enforcement of waste tire permitting, hauling, and storage laws and regulations. These funds will augment the City of Lancaster Code Enforcement Officers efforts to reduce the number of unpermitted and/or illegal waste tire piles, the waste tires going to landfills for disposal, the stockpiling of waste tires, and other waste tire violations which will benefit local and regional efforts in minimizing risks to public health and safety, and promoting the clean-up of environmental hazards and conservation of natural resources.

**Grantee:** City of Los Angeles

**Amount Awarded:** \$71,795.00

**Grantee Contact:** Mr. Jerry Weir

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** We will continue our inspections of all waste tire facilities to maintain and improve the reduction in the number of illegally dumped waste tires in our jurisdiction as well as compliance with all State of California laws and regulations. There are a few more unregistered haulers which we are bringing into compliance or shutting down. There are also two recently found unpermitted minor facilities that must be brought into compliance or closed down.

**Grantee:** Los Angeles County

**Amount Awarded:** \$540,000.00

**Grantee Contact:** Mr. Eric Morofuji

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grant Funds will be used for personnel and equipment costs to inspect and enforce the State's Minimum Standards for handling, storage, and disposal of waste and used tires in the County of Los Angeles.

*Total Awarded for County:\$758,148.00*

## **Madera County**

**Grantee:** City of Madera

**Amount Awarded:** \$22,170.00

**Grantee Contact:** Ms. Viola Rodriguez

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The grant funds will allow us to continue our ongoing efforts to reduce blight, reduce potential fire hazards, and create a more aesthetic environment free from waste tires and tire debris. We plan to use the funds to inspect businesses to ensure proper handling and storage of waste tires and to research, identify, and survey areas in the city where illegal dumping of waste tires has occurred. We plan to continue ongoing public education regarding the requirements for transporting and manifesting waste tires. We want to provide public awareness pertaining to proper storage, stacking and maintaining safe properties

**Grantee:** Madera County

**Amount Awarded:** \$232,911.00

**Grantee Contact:** Mr. Eric Yancy

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Perform waste tire inspections to ensure compliance with all applicable laws and regulations, including the manifest system. Inspections will be followed up with appropriate compliance actions to ensure that operators are complying with all waste tire regulations. Also investigate and conduct surveillance for illegal tire disposal activities within our jurisdiction.

*Total Awarded for County:\$255,081.00*

## **Marin County**

**Grantee:** Marin County

**Amount Awarded:** \$68,550.00

**Grantee Contact:** Mr. Mark Janofsky

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** If awarded, the requested grant funds will be expended conducting routine inspections of waste tire generators and haulers, as well as followup inspections and enforcement actions, when necessary. This includes referrals from CalRecycle. In addition, grant funds will be expended during training activities for tire grantee staff.

*Total Awarded for County:\$68,550.00*

## **Mendocino County**

**Grantee:** Mendocino County

**Amount Awarded:** \$32,207.00

**Grantee Contact:** Mr. Trey Strickland

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** CalRecycle Waste Tire Enforcement Grant funds will be used to implement the waste tire program locally in Mendocino County and provide oversight to the businesses in our County handling waste tires.

*Total Awarded for County:\$32,207.00*

**Merced County**

**Grantee:** Merced County  
**Amount Awarded:** \$108,675.00  
**Grantee Contact:** Mr. Ron Rowe  
**CalRecycle Grant manager:** Phanessa Fong  
**Project Summary:** CalRecycle Waste Tire Program local enforcement.

*Total Awarded for County:\$108,675.00*

**Monterey County**

**Grantee:** Monterey County  
**Amount Awarded:** \$109,972.00  
**Grantee Contact:** Mr. John Ramirez  
**CalRecycle Grant manager:** Phanessa Fong  
**Project Summary:** Grant monies will be used to fund the existing Waste tire Enforcement Program, which includes conducting routine waste tire inspections, surveillance and enforcement, community education, attending round table events and other trainings required by CalRecycle, and to purchase equipment and supplies needed to conduct program activities.

*Total Awarded for County:\$109,972.00*

**Napa County**

**Grantee:** Napa County  
**Amount Awarded:** \$89,212.00  
**Grantee Contact:** Mr. Greg Pirie  
**CalRecycle Grant manager:** Phanessa Fong  
**Project Summary:** Investigate illegal tire disposal activities and perform waste tire inspections to ensure compliance with all applicable laws and regulations.

*Total Awarded for County:\$89,212.00*

**Nevada County**

**Grantee:** Nevada County  
**Amount Awarded:** \$83,834.00  
**Grantee Contact:** Mr. Grant Eisen  
**CalRecycle Grant manager:** Phanessa Fong  
**Project Summary:** To continue waste tire enforcement activities in the Nevada County Jurisdiction. These activities include, but are not limited to, inspection of inventoried sites, identification of businesses that need to be on the TPID inventory, surveillance for illegal disposal sites and unregistered haulers, compliance through education and if necessary, enforcement.

*Total Awarded for County:\$83,834.00*

**Orange County**

**Grantee:** Orange County  
**Amount Awarded:** \$462,755.00  
**Grantee Contact:** Terry Carrier  
**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Orange County will use these grant funds to investigate illegal tire disposal activities and perform waste tire inspections to ensure compliance with all applicable laws and regulations. Funds will also be used for community and industry education, staff training and administration of the grant.

*Total Awarded for County:\$462,755.00*

## Placer County

**Grantee:** Placer County

**Amount Awarded:** \$275,910.00

**Grantee Contact:** Mr. Wesley Nicks

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Waste Tire Enforcement Grant will allow Environmental Health to perform waste tire inspections, identify un-permitted waste tire activities and provide enforcement for illegally dumped tires within Placer County.

*Total Awarded for County:\$275,910.00*

## Riverside County

**Grantee:** Riverside County

**Amount Awarded:** \$600,000.00

**Grantee Contact:** Mr. Manny Acueto

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grand funds will be utilized to inspect tire-related businesses and ensure entities within the county are storing/hauling used and waste tires correctly pursuant to California law. These funds will augment local/regional enforcement efforts by seeking to prevent the unlawful stockpiling/dumping of waste tires. This goal is accomplished by allowing personnel to be dedicated to the task of ensuring waste tires reach an appropriate end use facility by educating business owners as to proper disposal methods and referral of offenders to the appropriate State/local authorities.

*Total Awarded for County:\$600,000.00*

## Sacramento County

**Grantee:** Sacramento County

**Amount Awarded:** \$417,480.00

**Grantee Contact:** Mr. Jeff Czapla

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Funds will be used for inspection of waste tire generators and haulers, surveying for new waste tire generating businesses, investigating illegal dumping and hauling complaints. Providing education to public and businesses. Funds will be used to provide additional training to staff. Funds will also be used to prepare reports and other forms that will be submitted to CalRecycle.

*Total Awarded for County:\$417,480.00*

## San Bernardino County

**Grantee:** City of Adelanto

**Amount Awarded:** \$25,600.00

**Grantee Contact:** Ms. Rachel Lara-Carranza

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grant funds will use for training of new code officers in the enforcement of new and waste tires, and training for any new local business storing and using waste tires. The funds will be used in Code officers Inspections of tire facilities and waste tires. The funds will be used for surveillance of illegal dumpers. We use some funds for the training off grantees training. Some funds will be used for equipment to train or help code officers with thier daily duties of waste tire inspections and illegal dumping through out the desert.

**Grantee:** City of San Bernardino

**Amount Awarded:** \$28,000.00

**Grantee Contact:** Timothy O'Neal

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The City of San Bernardino will continue the inspections for unpermitted and/or illegal waste tire piles and other waste tire violations. Maintain the inspections of waste tire locations, operations, and issues in response to requests and/or complaints. Conduct surveillance to monitor tire activities. Participate in multi-jursidictional or multi-departmental task forces and working groups. Provide waste tire and used tire permitting, storage/hauling information to the regulated community. Purchase equipment, materials/supplies to support the program. Support the program with mandatory training and grant management aspects.

**Grantee:** City of Victorville

**Amount Awarded:** \$56,800.00

**Grantee Contact:** Mr. Jorge Duran

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The City of Victorville is located in the Mojave Desert area approximately 1 hour from the heavily populated Los Angeles, Orange County, Inland Empire and the growing Las Vegas areas. The City is surrounded by a vast amount of desert land and has three major highways that intersect the City (I-15 Freeway, CA Highway 18/138, and US highway 395). Due to the surrounding geography, the City experiences a large amount of illegal dumping activity which includes illegally dumped tires piles of both general passenger and commercial type tires. The City is still growing and currently has 110 waste tire related businesses (106 in WTMS and 4 newly identified businesses). The City has and will use waste tire enforcement grant funds to establish a presence in our City and partner with the State to regulate the waste tire disposal process and minimize illegal dumping through surveillance, enforcement and administrative action. Funds will also aid our assigned staff to provide them with office and small field supplies/ equipment to carryout grant inspection, surveillance and education tasks. Our primary goal when utilizing the grant funds is to have a all waste tire generators and haulers that do business within our city as partners and have their support to fight illegally disposed tires by ensuring the all tires are manifested through the forms provided by Cal-Recycle. In addition to the grant priorities established in the grant terms/ conditions and procedures, education, awareness, and waste tire manifest compliance are the City s priorities when utilizing grant funds.

*Total Awarded for County:\$110,400.00*

## **San Diego County**

**Grantee:** City of San Diego

**Amount Awarded:** \$203,621.00

**Grantee Contact:** Mr. William Prinz

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The City of San Diego Regional Waste Tire program will be using grant funds to continue implementing inspections, enforcement, and education to the 790 active waste tire generating businesses in the City. In 2007 the City began inviting neighboring Cities to participate in the grant program in order to achieve better compliace in the region. Today the City is collaborating with four additional cities that have added another 267 active businesses to our inspection program.

**Grantee:** San Diego County

**Amount Awarded:** \$182,836.00

**Grantee Contact:** Ms. KariLyn Merlos

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Tire Enforcement Agency is a program of the Local Enforcement Agency for the purpose of protecting public health, safety and the well being of our communities and our environment from the impacts of improper waste tire management/recycling and disposal by:

Conducting careful and thorough inspections of permitted waste tire facilities, haulers and generators to ensure the proper management, handling and disposal of their waste tires;

Providing education to operators on waste tire laws and regulations, West Nile Virus issues, prevention of mosquito breeding, rat breeding and other public health, safety and environmental issues;

Assisting CalRecycle in taking appropriate and effective enforcement;

Ensuring quick and thorough investigations to complaints;

Providing expert and timely review of documents;

Efficiently managing grant monies awarded by CalRecycle;

Participating in all mandatory trainings, roundtables and events;

Enhancing skills and knowledge by participating in CalEPA Inspectors Academy

Other grant related activities as directed by CalRecycle staff.

*Total Awarded for County:\$386,457.00*

## **San Joaquin County**

**Grantee:** San Joaquin County

**Amount Awarded:** \$203,850.00

**Grantee Contact:** Mr Michael Kith

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The goal of the San Joaquin County Environmental Health Department Waste Tire Program is to protect public health, safety and the environment with regard to waste tire facilities within our jurisdiction.

The San Joaquin County Environment Health Department intends to use the TEA19 grant fund for all expenses associating with performing inspection of the waste tire facilities, investigating the illegal dumping of waste tires in San Joaquin County, staff training, and administrative costs.

*Total Awarded for County:\$203,850.00*

## **San Luis Obispo County**

**Grantee:** San Luis Obispo County

**Amount Awarded:** \$65,300.00

**Grantee Contact:** Mr. Richard Lichtenfels

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Waste Tire Enforcement Grant funds will support San Luis Obispo County`s effort to enforce CalRecycle`s waste tire regulations, and to educate businesses and the public on how to handle waste tires in a safe and responsible manner.

*Total Awarded for County:\$65,300.00*

## **San Mateo County**

**Grantee:** San Mateo County

**Amount Awarded:** \$101,200.00

**Grantee Contact:** Ms. Marjorie Terrell

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grant funds will be used to improve the management of waste and used tires in San Mateo County - by ensuring businesses and the public are aware of the legal requirements.

*Total Awarded for County:\$101,200.00*

## Santa Barbara County

**Grantee:** Santa Barbara County

**Amount Awarded:** \$157,592.00

**Grantee Contact:** Mr. Lawrence Fay

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grant funds will be used for salaries of staff working in the Waste Tire program, to purchase equipment/supplies needed by Tire staff to fulfill their responsibilities and to attend statewide meetings and training.

*Total Awarded for County:\$157,592.00*

## Santa Clara County

**Grantee:** City of Sunnyvale

**Amount Awarded:** \$37,711.00

**Grantee Contact:** Ms. Lynne Kilpatrick

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grant funds will be used to inspect at least 80% of active tire generators and 100% of tire haulers for manifesting requirements and 100% of permitted tire businesses (greater than 500 tires) for compliance with waste tire storage, disposal and permit standards, terms and conditions during this grant cycle. Additionally, inspections at other tire business, not described above, will be conducted as required.

**Grantee:** Santa Clara County

**Amount Awarded:** \$398,063.00

**Grantee Contact:** Mr. Michael Balliet

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The goal of the County of Santa Clara Department of Environmental Health (DEH) is to protect public health, safety, and the environment in regard to proper storage, transport and use of waste tires within our jurisdiction.

The County of Santa Clara DEH intends to use FY 2011 / 2012 TEA grant funds for activities directly related to inspection and administrative costs for waste tire inspections as outlined in the grant procedures and requirements, and grant application guidelines and ongoing grant guidance from CalRecycle regarding waste and used tire activities.

Michael Balliet  
Hazardous Materials Program Manager

*Total Awarded for County:\$435,774.00*

## Solano County

**Grantee:** Solano County

**Amount Awarded:** \$180,127.00

**Grantee Contact:** Mr. Terry Schmidtbauer

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Grant funds will be used to provide inspections of waste tire generators and haulers, perform surveillance and education, oversee cleanup of waste tires and attend training.

*Total Awarded for County:\$180,127.00*

## Sonoma County

**Grantee:** Sonoma County

**Amount Awarded:** \$269,966.00

**Grantee Contact:** Ms. Christine Sosko

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Waste Tire Enforcement Grant funding will be used for the enforcement, inspection and permitting of waste tire facilities and the movement and storage of waste tires within Sonoma County.

Sonoma County currently has 423 waste tire facilities with one facility being greater than 500 tires and participates in multi-agency task force meetings to oversee the enforcement of waste tire regulations throughout the County.

As part of the waste tire educational program, Sonoma County, will continue to educate and work with the local dairies to remove waste tires from the dairy farms and/or permit the dairies.

Sonoma County will participate in mandatory waste tire training, including quarterly meetings and the Annual CalRecycle Conference.

*Total Awarded for County:\$269,966.00*

## **Stanislaus County**

**Grantee:** City of Modesto

**Amount Awarded:** \$57,626.00

**Grantee Contact:** Ms. Karin Rodriguez

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The City of Modesto will inspect all the waste tire generators within the city limits and submit all inspection forms to CalRecycle for review.

**Grantee:** Stanislaus County

**Amount Awarded:** \$108,000.00

**Grantee Contact:** Ms. Janice McClendon

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The Waste Tire Enforcement Grant program allows Stanislaus County to administer a comprehensive waste tire enforcement program which includes the following elements: identification, documentation, education, and inspection of businesses involved in the generation, collection, transportation, and disposal of waste tires.

Currently, there are 250 waste tire businesses in Stanislaus County and in the participating cities. The grant allows inspections of each of these tire facilities, tire dealers, auto dismantlers, tire haulers, and other waste tire generators. The local enforcement of the waste tire regulations will emphasize the importance of proper disposal, reuse, and recycling of waste tires through the education and the regulation of generators, haulers, and end-user businesses.

Since the program s inception in 2006, two (2) large tire piles containing over 20,000 tires have been cleaned up. Over 1,687 inspections of tire facilities and tire haulers have been conducted, with 24 notices of violation issued along with ten (10) referrals to CalRecycle for legal action.

If TEA 19 is awarded to Stanislaus County it will enable our jurisdiction to conduct 204 inspections, spend 220 hours on surveillance, investigate referred violations, respond to reports of tire dumps, and provide public outreach and education.

*Total Awarded for County:\$165,626.00*

## **Tehama County**

**Grantee:** Tehama County

**Amount Awarded:** \$77,861.00

**Grantee Contact:** Mr. Tim Potanovic

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** The goal of our waste tire program is to protect public health and the environment with regard to waste tires and facilities in Tehama County. TCEHD intends to use TEA 19 reimbursement grant funds for routine inspections, enforcement, outreach, training, management and equipment in order to accomplish these objectives.

*Total Awarded for County:\$77,861.00*

**Tuolumne County**

**Grantee:** Tuolumne County

**Amount Awarded:** \$42,232.00

**Grantee Contact:** Mrs.Rachelle Williams

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Funds from this grant will be used to implement the Waste Tire Enforcement Program by completing inspections of the waste tire generators and haulers, preparing reports, WTMS and grant management duties, participating in trainings, providing education to the waste tire industry and the public, and conducting surveillance and enforcement activities throughout Tuolumne County.

*Total Awarded for County:\$42,232.00*

**Yolo County**

**Grantee:** Yolo County

**Amount Awarded:** \$126,324.00

**Grantee Contact:** Mr. Bahram Kavousi

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** Waste Tire Program

*Total Awarded for County:\$126,324.00*

**Yuba County**

**Grantee:** Yuba County

**Amount Awarded:** \$106,475.00

**Grantee Contact:** Mr. Jagjinder Sahota

**CalRecycle Grant manager:** Phanessa Fong

**Project Summary:** These grant funds will be exclusively used to run the TEA 19 grant cycle and the money will be spent conducting generator inspections, enforcements, surveillance for illegal disposal and illegal hauling, attending all mandatory and non-mandatory trainings to educate the staff in various rules and regulations, training facility operators, farming community and other jurisdictions on waste tire rules and regulations. Staff time spent on preparing, submitting performance reports and payment requests will be covered by this grant money.

*Total Awarded for County:\$106,475.00*

**Grant Count: 47** **Grand Total for Selected Counties: \$7,775,000.00**
